20 On September 25, 2014, the parties are scheduled to appear for a motions hearing before this
21 Court. In this matter, and as discussed with the Court at the status hearing on September 4, 2014, the
22 parties are still working to provide all requested discovery that is not contraband to the defense. This
23 process involves the redaction of a large quantity of visual material, and follow-up investigation for both
24 parties. Therefore, the government and defense require additional time to prepare for the submission of
25 the pre-trial motions.

26 The parties hereby request this Court adjust the normal schedule and deadlines for the
27 submission of motions and responses in advance of the hearing for September 25, 2014. The parties
28 request that motions be filed on or before September 16, 2014, and responses to the motions be filed on
